CAG Ground Rules

- All input from all participants in the process is valued and considered.
- All participants must come to the process with an open mind and participate openly and honestly.
- All participants must treat each other with respect and dignity.
- The project must progress at a reasonable pace, based on the original project schedule.
- All participants understand that topics will not be revisited once the issues have been addressed and a general understanding is reached.
- Members of the media are welcome to attend as observers, not as participants in the process.
