

Environmental Impacts

NATURAL ENVIRONMENT

Wetlands
1.66 acres

Streams
2,760 feet

Floodplains
3.29 acres

Threatened & Endangered Species
No Impacts

HUMAN ENVIRONMENT

Total ROW
17.1 acres

Farmland
6.6 acres

Residential Property
No Displacements

Business
1 Displacement

Parks
De minimis impacts to Nowell Park

Historic
No Adverse Effect

- Alternate Route 66 Pavement
- BNSF Railroad Viaduct
- Union Pacific Railroad Viaduct
- Joliet Equipment Corporation Building

Noise
• Two noise receptors impacted, but noise walls are not feasible or reasonable per IDOT criteria.

Environmental Justice

- Based on the current analysis, disproportionate impacts are not anticipated.
- Do you have any concerns with EJ issues as it relates to this project?
- Has there been any historical discrimination along the IL 53 corridor?
